SNAKES, SPIDERS AND SCORPIONS

Ever wondered about snakes, spiders and scorpions and what to do when you encounter them? Come and listen to Pieter Truter discussing these fascinating creatures on April 8, 2017 in Pretoria at the SANParks Head Office boardroom in the Groenkloof National Park. It will be a life-changing experience!

- Friends and family welcome
- Course material included
- Bookings and payment to be made before March 31, 2017
- Payment details will be communicated during the booking process
