Join us for an incredible PHOTOGRAPHIC WILDLIFE EXPERIENCE

- Ideally suited for beginners and intermediate photographers
- Beautiful bush family home with comfortable sleeping facilities, a boma, viewing deck and infinity pool facing a water hole
- Spend three nights in the bush and participate in eight day/night outings that will cater for your every need
- Includes all meals, soft drinks, tea and coffee and all game drives, plus in-depth discussions with our professional wildlife photographer. Learn more about your camera's functionality, photographic techniques and processing your images
- Each wildlife experience is limited to 6 people to ensure personal attention by our photographer and comfortable viewing from the vehicle
- Two people sharing a room with en-suite bathroom
- Located in the Klaserie area of the greater Kruger National Park conservancy
- Over 40 000 hectares of private game reserve viewing with an experienced game tracker/ranger
- Excludes all alcoholic beverages. Bring your own as refrigeration space is available

The Photographic Wildlife Experience is a project of the Johannesburg region of SANParks Honorary Rangers. All profit generated from these events will be allocated to South African National Parks conservation projects and public education on the importance of our national heritage and the responsible use of our planet.
